

AUTOMATING YOUR PRACTICE WITH FYI

# Make every second count for more

Save your practice countless hours by automating daily admin tasks and processes, freeing up time for work of higher value.

Want to **create your own custom automation?**  
Looking for some **automation guidance?**

Whether it's just an extra hand to build an existing process or crafting tailor-made automations from scratch, our expert consultants will work closely with you to optimise your operations for maximum productivity.

**#MakeItCount** for your practice with our **automation expertise** - let's build a smarter, more efficient tomorrow together.

## Our Services:

We have tailored packages, no matter your requirements, to help you **#automate** your processes. We offer the following services:

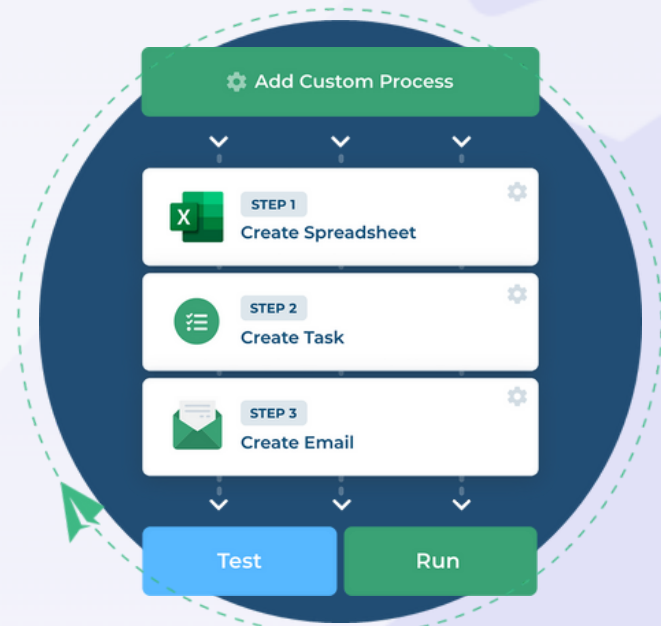

### Mapped process

Identify key steps, documents, tasks and team members

### Build your automation

Your process will be configured, according to your process map, in your FYI platform ready for testing and activating

The way we work has been transformed. FYI has challenged us to improve our processes and to work smarter.

Tasha Rossiter, Practice Manager | Sidcor
