

DOCUMENT MANAGEMENT FOR ACCOUNTANTS

A digital office - reimaged for the perfect practice

Create standard emails and documents at light speed. Templates make it quick and easy to create standard emails, documents, and files, and to file them consistently.

Want to create your own templates?

Looking for some **template assistance**?

Our template service provides you with a helping hand to bring your templates into your platform and optimise them for consistent document creation and filing, ensuring maximum productivity. Our expert team works with you to ensure your templates are configured to your requirements.

Enhance productivity for your practice with our template expertise - let's build a smarter, more efficient tomorrow together.

Our Services:

We have tailored packages, no matter your requirements, to help you **templatise** your documents. We offer the following services:

Template Blocks

Import and optimise existing document templates for use with FYI.

Custom Template Build

For large quantities of pre-existing document templates, outside the defined template block service, a tailored quote will be provided.

“Practice success means being as efficient as we possibly can - FYI helps us achieve.”
